

October 2018

**Christ United Church**, a federated congregation of the Presbyterian Church USA and United Church of Christ, in Olmsted Falls/Berea is seeking candidate(s) for the following position:

**Keyboardist:** Part-time; seeking a pianist/organist to accompany weekly blended-style Sunday Worship services in coordination with Pastor, Director of Music and Associate Director of Music; bi-monthly week-day choir rehearsals and additional special worship services as planned by the Worship Committee are required. The position allows for first refusal to accompany weddings and funerals. Salary is negotiable.

CUC's worship style is blended including both contemporary and traditional music; Keyboardist helps to plan and lead regular (currently quarterly) Sunday morning worship services with a contemporary focus and praise band. CUC has two grand pianos (Baldwin and Chickering), Charles Ruggles mechanical-action pipe organ, Yamaha electronic keyboard, harpsichord and hand bells available to enhance its music program. The music ministry is supported by a Baldwin Wallace Choral Scholars program where BW voice students participate in the choir and share special music. Guest instrumentalists regularly enhance worship services.

Throughout our history, CUC, and its predecessor congregations, has enjoyed a rich music ministry. Our congregation, currently around 200 members, is located in Olmsted Falls, a southwestern suburb of Cleveland, Ohio. The church is close to the campus of Baldwin Wallace University and its renowned Conservatory of Music and serves the communities of Olmsted Falls, Berea, Strongsville, and the surrounding area.

Candidates should submit resume and cover letter addressed to Director of Music Bryan Bowser and sent via email to [Office@ChristUnited.Church](mailto:Office@ChristUnited.Church). Applications accepted until position is filled.
